

CPSA Member Websites

August 2024 (Next update: February 2025)

One of the benefits of membership is the option to have your personal art-related website listed in this document and available on the CPSA website. While CPSA is pleased to provide this list, it cannot endorse or recommend specific instructors, nor act as an intermediary. To add or update your art-related website for the next update, submit the form on the CPSA website [HERE](#).

The initials CPSA and/or CPX after a name indicates the artist has earned signature status from CPSA. The CPSA designation is for the CPSA International Exhibition, CPX for Explore This! Learn more about signature status [HERE](#).

NOTE:
 For best results, save PDF to your computer and open the file in Adobe Acrobat Reader or Acrobat Professional.
 Some browsers may not activate the website links in the PDF when viewed in a browser window.
The content of each member's website is the property and responsibility of that artist.
